Certificate No.: ATS-NESR-WT-2025-08

Client: **National Energy Services Reunited Corp (NESR) – Iraq Branch**

Department: Well Testing (WT)

Location: Iraq - Basra – NESR Base

Major Survey Date: May/2025

Equipment Description: **Pressure Test Pump / MAWP 15000 Psi**

Serial Number: **5507.05.16**

Date of MFG: 2016

OEM: PROSERV

Type:100

Setting Pressure: 10000 Psi

Conform with Relative Standard: *ASME B31.1:2024, API Spec 6A:2024, ASME BPVC Section V:2023*

Unit: Pressure Test Pump 15000 Psi

Remarks:

The following Tests/ Inspections/Witnesses have been carried out on the above-mentioned Pressure Test Pump:

- Visual Inspection & Thorough Examination
- Witnessing of Pressure Test/ Body Test (Low: 300 psi / 05 Minutes, Medium: 7500 Psi / 5 Minutes, High: 15000 Psi / 15 Minutes)

Certified By: Eng. Hasan Omran
